 - A) Cllr Brown- was wondering what are the plans for that ridiculous Christmas tree which is currently being held up by "twigs" which in turn is potentially a trip hazard. The solar lights never really worked which wasn't really a surprise as it's winter and was sort of embarrassing.
Can we not just remove it and think of something else

7. Code of Conduct Stroud District Council- Over the past few months the MOs of all the Principal Councils within the County and the CEO from GAPTC have been working together to develop a single member Code of Conduct, with the ambition that it is used in each of the Councils (County, District and Town/Parish Councils). The intention behind this is to provide both clarity and consistency for both the Councils and their Members as well as ensure that all Councillors only need to pay regard to one set of rules reflecting upon the fact that many Members serve on multiple Councils within the County. The draft code is now out to consultation and let me have any comments or feedback by close of play on Friday 16 December.
To note the above and send any comments to the Clerk by Thursday 15th December 2022
